"WE DECORATE YOUR DREAMS"

We specialize in the design and development of living and working space that express our client's objectives with an emphasis on optimal functionality, meticulous attention to detail and aesthetic sophistication. Our simple focus towards development of interior design experiences that are distinctive, compelling and of superb quality & individuality have driven us to this level.

Optimistic values raised to establish Designer Home Pvt. Ltd. on 2016 with **vision to deliver exceptional service and distinctive designs that influence Nepalese Market with blend of Nepalese & Foreign culture.** Tackle down of lots of challenges we learned and experienced, we have now become a prominent expert in this industry.

Designer Home is a team of experts shaping your dreams into reality. We help you distill your ideas and tastes into the design that best suits your space. Our team believes that it's the tiniest of details that add the 'extra' to ordinary, hence works dedicatedly to provide your space an elegant look.

We are also the pioneer interior company in producing CNC products in Nepalese market and provide customized CNC products.

Designer Home is your one stop solution for designing concept to completion.
